R.E.A. 309634 – Cap. Soc. € 46.800 i.v.

MODENA, JANUARY 2021

We declare that all the articles that we regularly supply are made in compliance with directive 2011/65 / EU - RoHS II (last update 6 February 2019), and therefore, have a content of substances "with restrictions of use" lower than the values prescribed in the 'annex II of the "RoHS" directive; subject to any exclusions provided for therein, and to directive 2015/863 / EU - RoHS III (last updated 20 September 2020).

Stater Srl undertakes to promptly notify its customers of any future changes that may affect what is stated herein; and furthermore, in the case of supply of new products, it undertakes to check their conformity in advance and to communicate it to its customers, upon express request.

This declaration is valid from the date of dispatch and until a different communication is issued.
